Twisty horned dam plus a frosty roan sire equals our brindle beauty. Bevelyn is destined to be a knock out!! Her horns are already rolling back and she started to brindle at an early age. As with most of our herd, she is gentle and eats cubes from our hands. Double bred Jamakizm--evident in her deep black and gold coat- flat, triple twist horns from the famed Becca line, with a dose of Monika on top equals greatness! Check out her
